## Concussion Awareness Information:

Please read the following information carefully and sign below.

**A concussion is a type of traumatic brain injury that changes the way the brain normally works.** A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

**WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?** Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If a student reports one or more symptoms of concussion listed after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a healthcare professional, experienced in evaluating for concussion, says they are symptom-free and it's OK to return to play.

A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that not only does not diminish, but gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loss of consciousness (even a brief loss of consciousness should be taken seriously) However, it is important to note that most concussions occur without loss of consciousness.

**It is important for a student to report concussion symptoms.** If a student has a concussion, their brain needs time to heal. While a student's brain is still healing, they are much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young students can result in brain swelling or permanent damage to their brain. They can even be fatal.

**By signing below, I am acknowledging that I have received Concussion Awareness Information from MPFSC.**

## Skater Code of Conduct

**Skater code of Conduct/Responsibilities:** As a member of the Mt. Pleasant Figure Skating Club and U.S. Figure Skating, I promise to conduct myself in an appropriate manner whenever and wherever I am representing my club and the sport of figure skating.

**General Guidelines:** Skating is basically an individual sport and most practice sessions are pretty unstructured. **It is important to know that some basic rules must be observed for safety and to ensure that everyone can make effective use of their time.** Respect and courtesy must be shown at all times to coaches, ice monitors, parents, U.S. Figure Skating officials and guests, and fellow club members on or off the ice or at any other rink while representing the Mt. Pleasant Figure Skating Club. Maintain a positive attitude and outlook. Help others to see their strengths. Set a good example for other, less experienced skaters. Our club is committed to promoting a positive and friendly environment for all skaters. Remember 'The Golden Rule' —treat other people like you want to be treated—with respect.

### Ice Etiquette and Safety:

1. While in lessons or practice, it is the skater's responsibility to always be conscientious and aware of other skaters around them.
2. Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly used areas for jumps and spins, i.e. "lutz corners"
3. The only time a skater has the SOLE right of way is when they are skating their program to music. When you hear another member's music, please extend that person the courtesy and move out of their path momentarily. This only takes a moment and you will enjoy the same courtesy while you are performing your program.
4. The skater, who is 'on program,' has the right-of-way. Other skaters are expected to give them free maneuvering room. Second in priority are the skaters who are currently in lessons with their coach or in the jump harness.
5. Advanced skaters are expected to exhibit patience toward beginner members of the club. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters.

### Music Programs:

CD's/Music players are placed 'in line' to be played. A coach may request the music of a skater in a lesson to be played next, bypassing (bumping) those not in a lesson.

### Falls and Injuries:

If you fall, get up quickly. Remember other skaters have a much harder time seeing you when you are down on the ice. Don't stay there any longer than necessary. If you injure yourself, let someone on the ice know as soon as possible. If you see someone else fall and think they may be injured, don't touch him or

her. The best thing to do is to have someone stand guard over them until a qualified adult can come help them.

**Payments:**

Skaters must have a MPFSC punch card with time left, buy a new card, or pay the drop in rate for that night in order to use club ice. No punch card or drop in fee, no ice use. Payment must be taken care of BEFORE stepping on the ice. Payments for Punch Cards or drop in fees should be given to the ice monitor. **ALL Skaters must check in with the ice monitor prior to entering the ice.** - Please see MPFSC's Punch Card Terms & Conditions for full details.

**Ice Time:**

You should be on the ice at all times during your session. Be punctual for lesson times, be prepared, and be properly dressed. Try to go out to the ice with everything you will need. (jackets, gloves, music, water bottles, etc) If necessary make yourself a checklist so you do not waste valuable ice time.

**Phones:** During ice time, phones should only be used in the event of an emergency or if you or your coach is recording something for you to review. Texting, snapchat, Instagram, etc are for down time not the time you have purchased to skate. If your coach needs to constantly come looking for you for your lesson, that coach has the right to hold onto your phone during the session and only return it once the session is over.

**Food:**

Absolutely NO eating or chewing of gum on the ice. Water bottles ARE permitted.

**Visiting:**

Ice is for skating, not for visiting. DO NOT stand around talking. This wastes expensive ice and is a hazard to other skaters.

**Be Respectful of others:** We ALL need to be respectful and positive with each other. If there are any issues that you cannot resolve kindly with each other please speak to a parent or coach. Our younger skaters look up to and learn from our veteran skaters and they will act in your image, so please make sure you are setting a good example at all times.

I have read and fully understand the above "Skater Code of Conduct" and agree to abide by the guidelines listed.

## MPFSC Club Room Policy

The following rules will apply to anyone who uses the MPFSC club room.

1. **Skaters, coaches or anyone using the club room should take all of their belongings home with them after they skate.** No skate bags, skates or other personal belongings should be left in the locker room. The exception to this would be large props and skates that are being left to be sharpened. Please note with this we cannot be responsible for lost or stolen items.
2. **There are no assigned spots, first come first serve.** If someone is in your preferred spot, simply choose another for that day. Be respectful of other skaters' belongings.
3. **Be responsible for your own items.** Trash should be picked up and all items taken care of or taken home with you each day. We need to keep our limited space as neat and tidy as possible. Items left behind will be kept in a "lost & found" box for approximately one week and then disposed of. Trash includes items such as used water bottles, candy and chip wrappers, socks, gloves etc.
4. **Clean Up Sessions:** Clean up sessions will be held periodically during the skating year. Club Members who use the locker room are asked to participate if at all possible. This is a great way to complete some of your volunteer hours. Notifications will be sent out in advance when clean up sessions are scheduled.

Please remember, using the MPFSC Club Room is a club member privilege and treat the space as such.
